

18TH CENTURY FLEMISH TAPESTRY #P161BF

SKU: N/A

Country genre scene tapestry loomed with some wear. Shades of sepia due to years of conditioning. This lovely scene is very pleasing to the eye. Velcro is attached to the back top to facilitate ease of hanging. Acoustical properties also contribute to the esthetic attributes of this art work as well as the pleasing content of the scene. Possibly wool, cotton or linen combination.
