

**ENGLISH CORNER CUPBOARD #1355**

SKU: N/A

English Painted Blue- Grey Corner Cupboard c 1880s

This is an English painted corner cupboard. The cupboard has 2 columns on either side. The shelves are scalloped shaped and back is rounded. The paint is not original but you can see old red paint underneath. The bottom doors open to reveal another shelf, excellent for storing. This corner cupboard is very good looking with great lines.
